TWO MAIL  
BAGS CUT

BESIDES EMBEZZLEMENT KOKI  
HAS TWO CHARGES OF MUTI-  
LATING BAGS TO FACE

That the Federal authorities mean  
to cinch Moses Koki if it is possible  
and that they firmly believe in his  
guilt were shown today when two  
new indictments were brought in  
against him. Both of these charges  
him with cutting, tearing and injur-  
ing a United States mail bag. In the  
first of these indictments it is al-  
leged that this was done on November  
15, while the second places the crime  
on December 11.

The case of the prosecution seems  
to be getting stronger and it will prob-  
ably show that Koki attempted to  
rob the mail sacks on November 15,  
but found that there was not enough  
booty and waited till a month later,  
when he made a rich haul, but was  
arrested shortly after. There are now  
six indictments against Moses Koki  
and one against his brother Joshua  
Koki, who was assistant postmaster  
at Kamuela.

FLEET  
PROGRAM

OFFICERS AND MEN WILL HAVE  
TWO DAYS AT THEIR OWN DIS-  
POSAL.

At a meeting of the sub-committee  
on entertainment of the fleet held at  
Mr. Waldron's office this morning, the  
sum of \$500 was voted to the commit-  
tee on the Kapena Falls outing for the  
sailors, for the purpose of clearing the  
trails and erecting a dressing shed.

An offer from "The Mascot" opera  
company to give three performances  
during the stay of the fleet—on the  
dates July 18, 20, 22—was gratefully  
accepted, as was a promise by J. C.  
Cohen to have the Orpheum going with  
some company at that time. Of course  
admission will be charged, but the  
idea is that there will be something  
doing in theatricals.

It was decided to leave blank on the  
program two days to enable the officers  
and men of the fleet to arrange any  
events on their own account which  
they may desire to bring off.

For the rest it was decided to con-  
fine the efforts of the entertainment  
sub-committee to what has already  
been outlined as heretofore published.

Meetings of chairman of all sub-  
committees at 8:30 every Monday and  
Thursday were decided upon as advis-  
able.

Regarding the matter of a barge for  
use at the landing place the following  
satisfactory letter from the Superin-  
tendent of Public Works was read:

Honolulu, May 6, 1908.

Sir:—I have to acknowledge receipt  
of your favor of May 6th, enclosing  
letter from Mr. E. A. Berndt, Chairman  
Sub-Committee on Entertainment of  
the Fleet, in regard to providing a  
proper place for the boats of the fleet.  
In reply thereto would beg to state  
that this matter has already been taken  
up by this Department. We have a  
large barge which has been loaned to  
Captain Orwell for use at Pearl Har-  
bor which I intend to ask the return  
of for this purpose, during the stay of  
the fleet in Honolulu. It is the inten-  
tion to place this barge at the Alahe  
street slip and to provide a proper  
gangway from the barge to the wharf,  
which I trust will be satisfactory to  
all concerned.

I have to remain,  
Very truly yours,  
MARSTON CAMPBELL,  
Superintendent of Public Works.

Honorable E. A. Mott-Smith, Perma-  
nent Chairman, Committee on Ent-  
ertainment of Pacific Fleet, Ho-  
nolulu.

Those in attendance were F. L. Wal-  
dron, E. A. Berndt, Captain Rees, John  
Gould, Dr. Mitamura, S. Ozaki, W. T.  
Lucas, M. Phillips, W. E. Brown, J. J.  
Luttet, H. F. Bertelmann.

ARMADA SETS

FRISCO CRAZY

(Continued from Page One.)

contentment of so large a body of men  
during their stay in Honolulu.

"I understand from Mr. McBride, the  
Governor's secretary, that the Govern-  
nor had cabled to Secretary Mott-Smith  
to hold up all fleet entertainment propo-  
sitions in Honolulu until letters from  
him reached the executive committee.  
This action was based, I believe, on  
observations of his own with refer-  
ence to the workings of the San Fran-  
cisco entertainment committee. I un-  
derstand this refers to smaller work-  
ing committees which have been found  
more satisfactory than larger ones.

"Mayor Taylor, Mr. Phelan, Mr. Jen-  
nings and others were greatly pleased  
to know that Honolulu intended to ex-  
tend a hearty and most hospitable al-  
oha to the fleet."

Taylor brings back much informa-  
tion of value to the local fleet ent-  
ertainment committee in the matter of  
the workings of the San Francisco en-  
tertainers and he has also gained a  
great deal of knowledge as to the crim-  
inal following such an armada has in  
the ports it visits, and he is thus equip-  
ped with information that will be most  
valuable in handling any crooks who  
venture to "do" people here while the  
fleet is in port.

Mr. Taylor, who required a vacation  
on account of strenuous duties steadily  
maintained for a long period, has much  
benefited by his trip, having gained  
nine pounds. He is glad to be home,  
however, and his many friends are  
glad to see him again.

WHAT HE SAW  
AT KILAUEA

Mr. C. L. La Rue of Sacramento,  
California, who has travelled exten-  
sively around the world, returned from  
Hawaii by the S. S. Mauna Loa Tues-  
day of this week, in an interview he  
said:

"Yes, I have just been to the vol-  
cano; was it worth while? Well! I  
should think so; it was worth going  
around the world to see; I would not  
have missed it for any consideration;  
it is a spectacular performance which  
cannot be described; it is so awfully  
fascinating that one can hardly leave  
it; if my business would have per-  
mitted, I would have remained there  
a week. The wonder to me is that you  
Honolulu people do not make more of  
it; they can't realize the extent of the  
present activity; I understand that  
hundreds of people went up to see the  
flow of 1907, and that it was not a bit  
more attractive than Kilauea is at the  
present time."

Everybody returns from the vol-  
cano with the same enthusiasm and  
yet Honolulu has not awakened to the  
fact that a great eruption is taking  
place within twenty-four hours travel  
of her gates.

The father of C. C. Kennedy of  
Hilo and J. A. Kennedy of Honolulu  
died recently in Scotland at the age  
of 84 years.
